# Erratum to: Gait characteristics and their discriminative power in geriatric patients with and without cognitive impairment

Lisette H. J. Kikkert<sup>1,2,4\*</sup>, N. Vuillerme<sup>2,3</sup>, J. P. van Campen<sup>4</sup>, Bregje A. Appels<sup>5</sup>, Tibor Hortobágyi<sup>1</sup> and Claudine J. C. Lamoth<sup>1</sup>

## Erratum

The original article [1] contained two errors mistakenly carried forward by the Production team handling this article. The errors were as follows:

1. The names of authors Lisette H.J. Kikkert and Claudine J.C. Lamoth were incorrectly presented due to a misplacement of the 'C' initial between the two names.
2. The following statement was omitted from the Funding section in the Declarations:  
"This study was supported by the French National Research Agency in the framework of the "Programme d'Investissements d'Avenir IRT Nanoelec," grants ANR-10-AIRT-05 and ANR-15-IDEX-02 and Institut Universitaire de France."

The original article has now been corrected to reflect the correct names of the authors Lisette H.J. Kikkert & Claudine J.C. Lamoth, and the aforementioned funding statement has now been inserted accordingly.
